

# DRG-Masking Tape gold

Very thin and flexible high-quality-masking-tape, UV-resistant, single side coated with a high-temperature resistant acrylic adhesive.

Masking application for paint applications with solvent and waterbased colours for interior and outdoor area. Precise and flat paint edges.

## Technical Information – Product characteristic

Carrier	--	special paper
Colour		gold
Total thickness	--	0,09 mm
Adhesive-base	--	acrylate
Peel adhesion	--	# 1,2 N/cm   # 3 N/25mm
Tensile strength	--	# 28 N/cm   # 70 N/25mm
Elongation	--	5 %
Temperature-range	--	-30 °C up to +80 °C short time +100 °C
UV-resistance	--	up to 4 weeks
Weather-resistance	--	limited
Working temperature		recommended > 5 °C
Core diameter		76 mm
